AN UPDATE FROM THE COURSE SUPERINTENDENT

- Brian Ahrens Golf Course Superintendent Reading Country Club It's been a busy and productive spring at Reading Country Club, and we're happy to report that the course is coming along nicely. A lot of hard work has gone into preparing the grounds for the season, and we're already seeing great results.

Our greens have been aerated and are recovering well. We did encounter a small setback when our irrigation system developed a leak, but the repair has been completed. Fortunately, recent rainfall provided much-needed relief, helping the greens recover beautifully—and the course is playing great as a result.

Looking ahead, we'll be focusing on improvement projects on holes 5 and 15. On Hole 5, we'll be making updates around the tees and green complex, and on Hole 15, we'll be rebuilding and leveling the tee boxes for improved playability and aesthetics.

We do apologize in advance for any disruption these projects may cause during construction, but we expect minimal impact to your round—and we're confident the end result will be worth the wait. Work should be completed within the next couple of weeks, and once finished, both holes will offer a better overall experience for all players.

Thank you for your patience, and as always, we appreciate your continued support in helping us maintain and improve your course.

FROM THE CLUBHOUSE MANAGER - DANIEL HOCH

Exciting things are happening at Exeter's newest restaurant, Jack's on the Green. Since opening in April, we have been honored to have so many come out and support us. We are committed to finding and giving our guests the elevated experience they want in a locally owned restaurant. We heard many of you say, "brunch please" and now it's a regular Sunday thing with a dedicated menu that's already a hit! Our guests gave us great feedback on our daily menu and on May 22^{nd} we are launching a new and expanded version. More dinner entrée options and traditional lunchtime favorites, generously portioned and prepared from scratch all with beautiful views of our legendary course. With three distinct dining areas, a pub, lounge and four seasons patio, Jack's on the Green is the place to see and be seen in Exeter.

Our History

OVER 100 YEARS OF TRADITON

Established in 1923, has long been a cornerstone of golfing tradition in Berks County, Pennsylvania. Originally founded as a private, members-only club, it was designed to provide a retreat for golf enthusiasts. The club's lush, rolling landscape and beautifully designed course quickly became a favorite among local golfers, providing not only a challenging game but also a place for community and camaraderie.
