Where Timeless Tradition Meets Unforgettable Experiences!

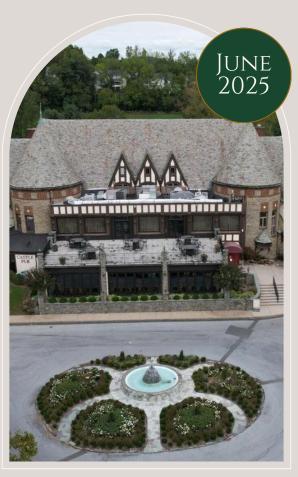

DEAR MEMBERS, FRIENDS, AND GUESTS

Every day I have the pleasure of driving up our beautiful entrance, winding through the trees and along the course as it opens to the clubhouse and the fountain out front. On a sunny day, with the windows open at Jack's on the Green and the sounds of laughter and conversation drifting out, it's a special reminder of how lucky we are to be part of this place. Watching the course come alive — and seeing golfers out there enjoying the day — makes it all worth it.

We're especially excited about the progress to the green at Hole 5 — it's coming along beautifully and will be a true standout. The tee boxes at Hole 15 are also nearing completion and should be finished in just a couple of weeks. These will be signature holes, not just for Reading Country Club, but throughout the region.

We've also made some great updates off the course, including a new menu at Jack's on the Green. If you haven't tried it yet, now is the time — the fresh seasonal flavors and creative touches have been a big hit.

There's a lot of momentum and excitement around the Club right now, and we're just getting started. Whether you're joining us for a round, a great meal, or one of our many events, we look forward to seeing you here at the course.

It's all in the Details!

We love a theme here at RCC! This month's event feature is a "Classy Alice in Wonderland" themed Bridal Shower. From White Rabbits to handmade floral arrangements, this intimate shower gave us all the spring vibes. (And who doesn't love a mimosa bar?) And don't sleep on our favorite local photographer Meghan Luckenbill Photography! She has a lens for every unique touch of your big day.

FEATURED ITEMS

We're excited to share this month's mouthwatering highlights straight from Chef's kitchen:

- Chef Benny's Chicken Alfredo, a rich and creamy favorite made with a luxurious heavy cream reduction, fresh parmesan cheese, and a touch of cracked black pepper. Comfort food at its finest.
- Homemade Turkey Club, crafted with house-roasted homemade turkey breast, lettuce, ripe tomato, and smoky bacon—served on toasted white bread with your choice of classic mayo or Chef's signature sauce.
- Slow Roasted Pork Tacos, a new twist on a favorite! These tacos are filled with tender, slow-roasted pork, topped with fresh onion, cilantro, and salsa verde for a savory, satisfying bite. Come in and enjoy what's fresh this month!

Our Signature Cocktail Spotlight is teeing off with bold flavor and a smooth finish. "The 19th Hole" is a rich, smoked Old Fashioned crafted with Russell's 10 Year Bourbon. It's the perfect way to unwind after your final putt or to toast to the good life with friends. Whether you're wrapping up a day on the course or just getting the night started, our bar team at Jack's on the Green is proud to serve this refined classic with a twist. Raise a glass to great rounds and even better company - cheers!

COURSE NEWS

We are currently enjoying our driest stretch of weather since late April, following a month in which we set several rainfall records. I have spoken with several superintendents from the area and all have pretty much the same question...what's next? I would like to thank all of you who have shown interest and reacted positively to our construction project. As you are reading this we should soon be opening all portions of the scope of work to regular play. I realize that projects like these can be an inconvenience during the golf season but we felt that the end result would be well worth it. I am very grateful to not only Jim Nagle, our Golf Course Architect, but Mottin Golf as well for finding a window in their busy schedule to fit us in. It is not often that a company such as Mottin, which is one of the finest construction companies in the east, would be able to respond to a request so quickly... we got lucky to say the least. As we prepare the course for the long summer ahead, I look forward to seeing you all out on the links.

Some of you may have heard we are upgrading our current POS system so that we can better serve both the membership and all our guests. For those members who currently have a credit card on file for direct billing, we will need to reinstall your cards again on the new system. We are working on a link so that you can do it from your home computer or phone and upload it yourself without having to do it in the pro shop. If you prefer to still do it in the shop, we can certainly accommodate that procedure as well. If you are wondering why we need to do it again, federal law mandates that those types of files are encrypted and cannot be transferred from one system to another. For your protection, we cannot read the cards on file. We apologize for the inconvenience, but we are striving to give you the best possible service and we believe this new system will do just that. Thank you for your understanding, I will update you as soon as we know when that link will be ready.
