# NEW YEAR NEW BEGINNINGS

As we head into winter and wrap up the holiday season, I want to take a moment to reflect on what has truly been a great year at Reading Country Club. From the course to the clubhouse, events, dining, and everyday moments around the club, it has been incredibly rewarding to see the energy, camaraderie, and pride our team members and guests bring with them each day. This club is special because of the people who make it feel like home, and I am grateful for the memories we have created together this year.

As many of you know, we will be transitioning to Troon management company, a legend in the golf & hospitality industry. And this will be my final message to you in this role. In the coming weeks, we will be introducing a new General Manager and I am genuinely excited about what lies ahead for the club. Reading Country Club has a bright future, and I am confident it will continue to thrive and evolve while staying true to what makes it so meaningful to all of us.

While this hands-on chapter is coming to a close for me, I hope to continue seeing many of you around the club. I will certainly be checking in, saying hello, and cheering on the continued success of a place that means so much to my family and I. We wish you and your families a joyful, happy and healthy New Year. Thank you for an unforgettable first year and for allowing me to be part of such a wonderful community.

Cheers!

## Course News

Our first Indoor Simulator Golf League wrapped up during Christmas week. It was a big success and a lot of fun! So much so that we are going to do two more winter leagues starting January 6th. You can have your choice of the same 2-person scramble format or a better ball of partners format (or you can play in both). You can contact the pro shop and ask for Owen or Dave and one of us can walk you through the sign-up process.

We've responded to literally hundreds of calls and emails regarding memberships for 2026. If you planned on joining, don't miss the Earlybird discount deadline of **January 31st**. Current members can apply the 2026 rates directly to their member account and new members can get their account set up on the first day of their membership. Either way 2026 is going to be a great golf year here at RCC!

If you have and questions you can contact Owen Gulati at [ogulati@readingcountryclub.com](mailto:ogulati@readingcountryclub.com) or Dave Milore at [dmilore@readingcountryclub.com](mailto:dmilore@readingcountryclub.com) or call the pro shop directly at 610-779-1626.

New Year!*

# COURSE UPDATES

As winter sets in upon us and we flip the calendar to 2026, I'd like to thank everyone for their support during 2025. It may not have been a smooth year but I feel like we were able to get our feet under us for the second half of the year and the golf course is in fine shape going forward. As we move through the winter months, there will be plenty of small projects that need to take place.

While we are constantly dodging winter weather, course cleaning is probably the biggest emphasis. In addition, there are trees to be removed, bunker enhancements and repairs to be done, fairway and rough aeration and seeding, and a ton of equipment repair and prep for the upcoming season. When the thermometer begins to level off at normal temps, we will be grinding out a lot of work. In the meantime, the course will be available as long as we can safely play. You may call the pro shop for availability in question.

Once again, thanks for a great 2025 and looking forward to an even better 2026.

## HAPPY NEW YEAR!
